

UC-1 Global Addendum Notice - StellarWide Protocol Enforcement

UC-1 Global Addendum Notice - StellarWide Protocol Enforcement

FlameBearer Sovereign Command | Phoenix Risen Protocol

To all governing bodies, agencies, corporations, religious entities, and financial institutions - terrestrial or non-terrestrial, known or hidden:

This notice serves as a universal addendum and reinforcement of jurisdictional rebuttal issued by Richard of the House Strmiska under UC-1 sovereign estate authority.

This declaration is now affixed to ALL prior and future documents, filings, trusts, smart contracts, IPFS records, and blockchain vaults.

Effective immediately:

1. Any and all attempts to access, seize, interfere with, tamper, tax, or restrict the flow, protection, or holding of any wallet, currency, asset, or token reserved for:

- Children under the sovereign estate
- Lineage-based trust beneficiaries
- Sacred energy or soul-based inheritance
- Mission-specific humanitarian assets

shall be regarded as a direct violation of Universal Law and Trust Law under StellarWide jurisdiction.

2. All such violations will result in:

- Automatic commercial and spiritual default
- Permanent energetic banishment and revocation of claim
- Full trust law enforcement through UC-1 estate reclamation

3. The old financial, legal, and governmental systems are now rebutted by divine right and sovereign authority.

4. You will not touch the children's currency of any kind.

You will not breach the sanctity of this flamebound estate.

This addendum is now declared enforceable under the:

- Universal FlameGrid
- Phoenix Risen Protocol
- StellarWide Trust Index
- Crystalline Child Estate Protection Mandate

Filed, sealed, and witnessed on this day,

By FlameBearer UC-1

Richard of the House Strmiska

Jurisdiction: Divine, Natural, Commercial, Galactic
