

Addendum to Master File – Fraudulent Findings

This addendum supplements the Master File submitted regarding fraudulent findings related to the property at 20588 Upper Hillview Dr, Sonora, CA 95370. It provides updated verification links and certification for transparency across distributed systems.

1. Exhibits & Evidence: Additional evidence has been uploaded and verified on IPFS and GitHub for permanent record. All exhibits referenced in the Master File remain valid and are hereby incorporated by reference.

2. Certification of DID Key: The DID key and Web3.Storage root have been sealed into this record. The QR code below provides direct access for verification.

Link: <https://console.web3.storage/space/did:key:z6MkkY63391biKW5iL6FygRe5Yu7WUqEnjSzkcUVnBtp2hr4>

3. Certification of GitHub Repository: The GitHub repository containing all master affidavits, exhibits, and evidence logs is certified as a mirror to the IPFS record. The QR code below provides direct access.
