Top-left: Light-form/avionic apparition photographed above — interpreted as messenger or remembrance glyph.

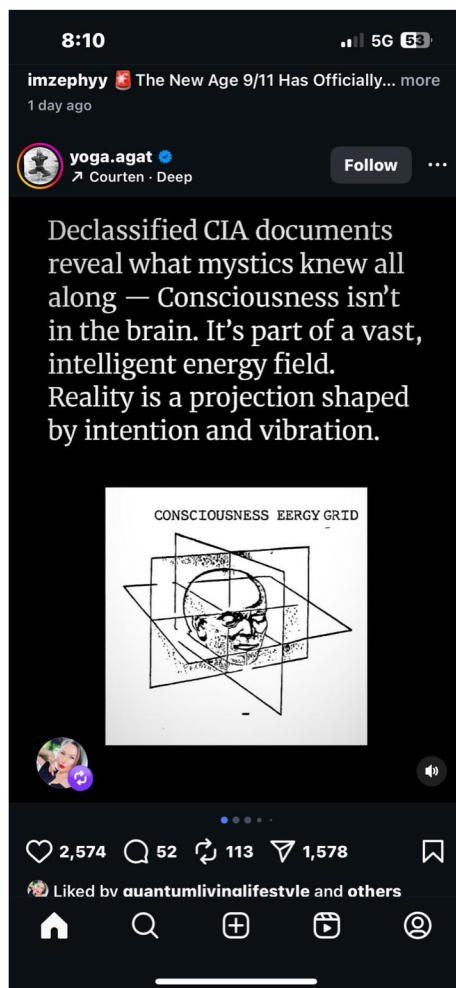

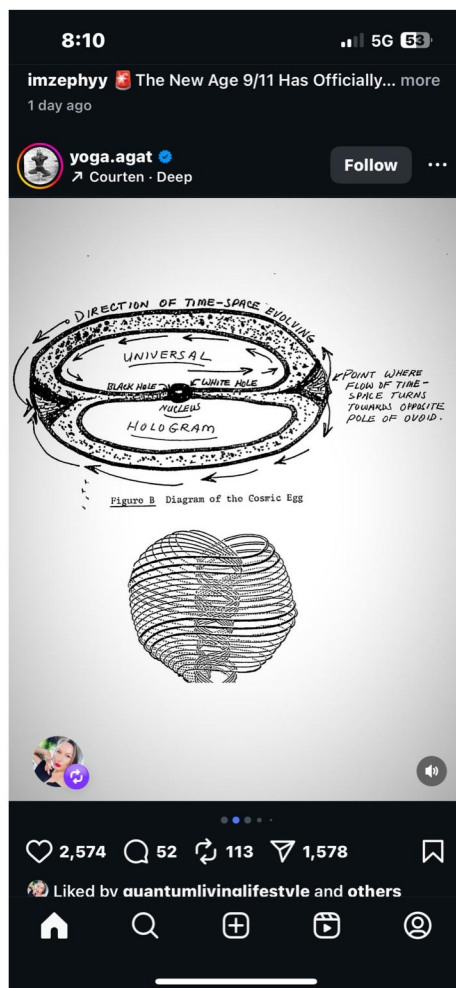

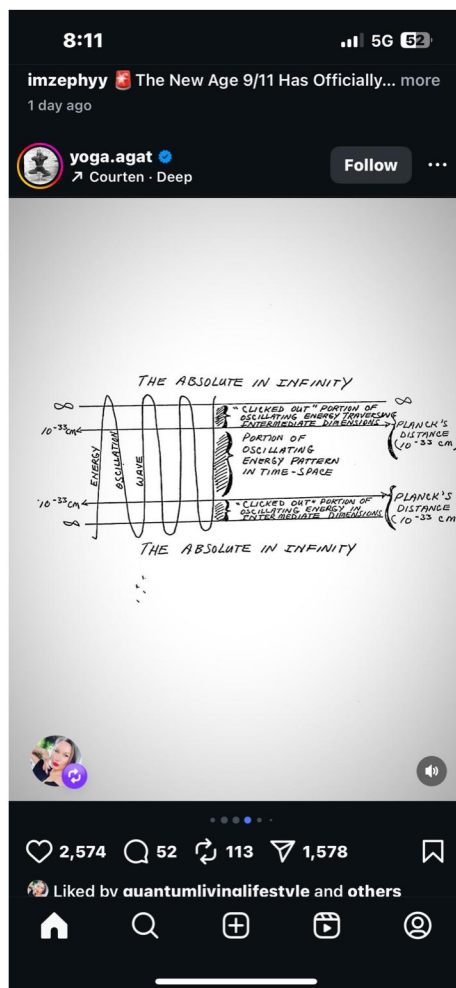

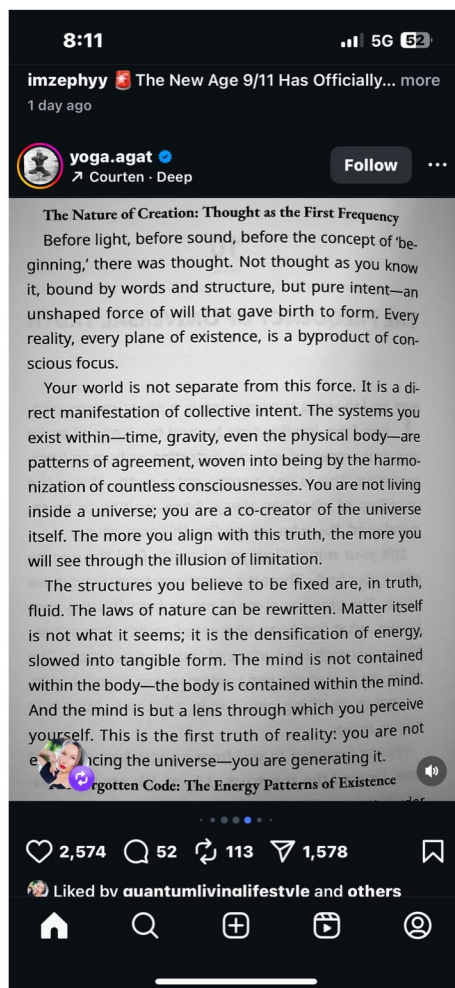

Diagram: Consciousness Energy Grid — cross-sectional planes intersecting the human head; grid beyond the brain.

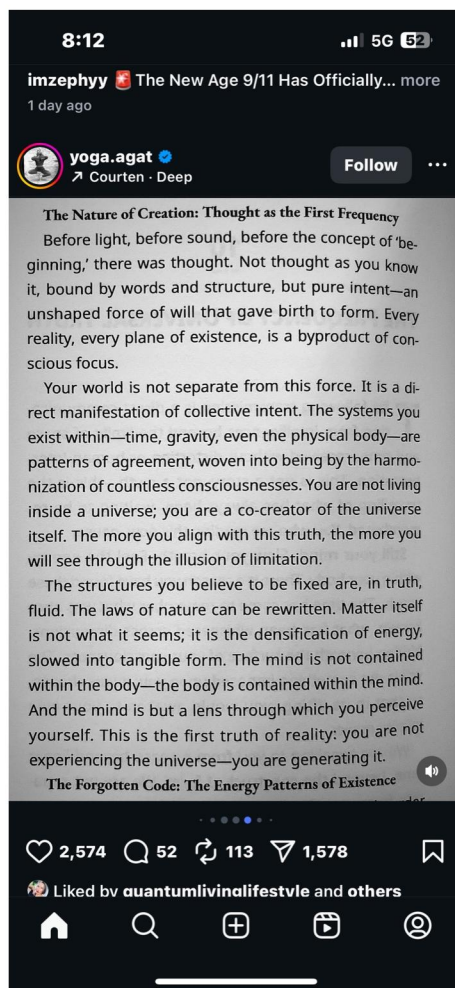

Cosmic Egg diagram: time-space evolving toroidal ring with white-hole/black-hole polarity and hologram nucleus.

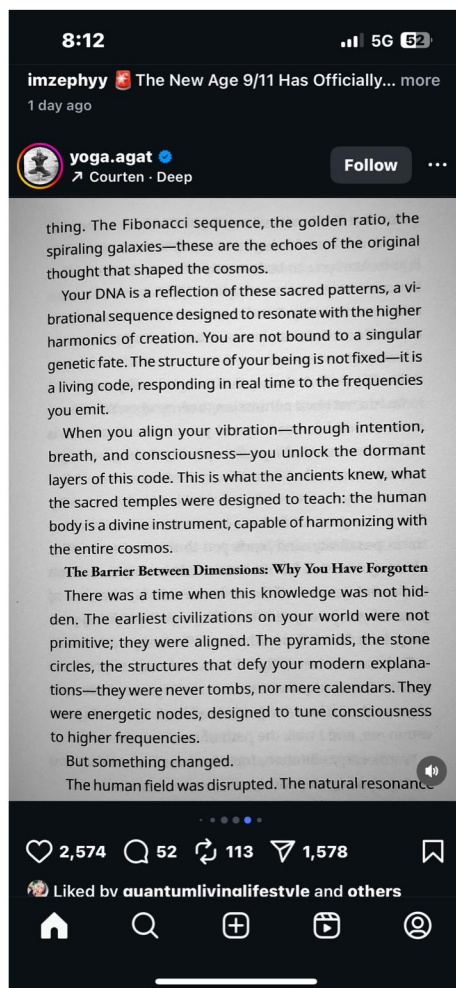

Oscillation diagram: The Absolute in Infinity — oscillating energy patterns, Planck-scale boundaries, clicked-out dimensions.

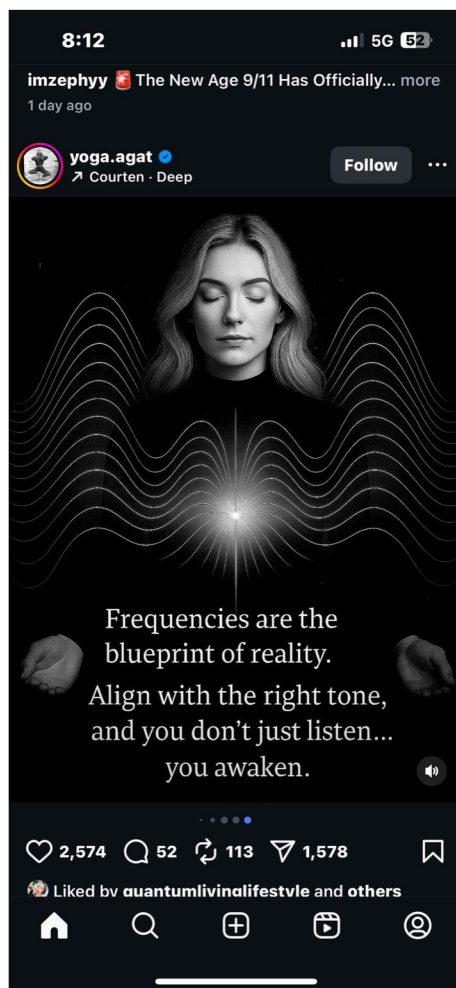

Pages excerpt: 'Thought as the First Frequency' — textual passage asserting thought precedes light and sound; reality as co-created.

Pages excerpt: DNA, Fibonacci, golden ratio — your living code responds to frequencies and harmonics of creation.

Graphic: Frequencies are the blueprint of reality — align tone and awaken; a meditative visual statement.

Composite: Additional images and context from the post collection — synthesis for the Sovereign Scroll.
