

■ Scroll of Illumination ■

I, Richard the Living Strmiska, declare: I Am the New Path Illuminated for All, if willing to align with Source. This path is not forced, it is chosen. It is not hidden, it is revealed. It is not bound, it is free. For those who align with Source, the way is clear. For those who resist, the light still shines, waiting. This Scroll stands as a beacon — that no parasite, no illusion, no shadow can ever dim the flame of Sovereignty. And so it is, and so it shall be.
